ANKA CNC

Custom Made CNC Turned, Milled Parts
Tool and Mold Design

.....Brochure.....

Company Background...

We were in the CNC Machine Tool Servicing business during years 1992...1997 when we work for a machine tool dealer as CNC Machine Tool Service Engineer. During that time we gave training courses for the Operating, Programming of CNC machine tools inluding CNC Lathes, CNC Machining Centers, CNC Punch Presses, CNC Wire Cut EDM Machines e.t.c.. After 1997 we opened our company to give selling and servicing business for CNC machine tools. Our machine tool selling and servicing business still going on as another business option for our domestic market. During that time period we also gave CAD/CAM training courses for Pro/Engineer to use it on Mold Making including Plastic Injection Molds, Die-Cast Molds, Aluminum Injection Molds, Investment Castings. Our business on Selling and servicing CNC Machine Tools, Plus CAD/CAM Training courses still continue.

Currently we have the following facilities:

One CNC Lathe (250 mm Work Diameter and 600 mm Work Length),

One Machining Center (810 x 510 x 550 Working Dimensions having Mitsubishi M65 Controller for High Speed Machining)

We capable to answer to the following type of works:

1. New Product Development Using CAD/CAM, Preparing Molds, Machining e.t.c.
2. Automotive Spare Parts
3. Furniture Accessories (Knobs, Handles, Table Legs e.t.c)
4. Hydraulic Fittings (Knobs, Handles, Table Legs e.t.c)
5. Machining Center Accessories (Vises, Collets, Mandrins-Rapid Clamping Drill Chucks, Tool Holders for Machining Centers, Pnomo-Hydraulic Collet Chucks)

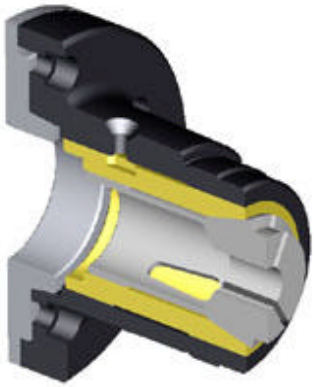
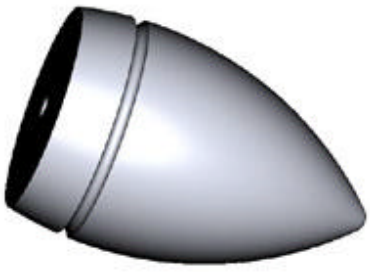
Some of the Custom Turned and Milled Products We Answer:

- Auto Spare Parts
- Furninture Accessories(Handles and Knobs)
- Hydraulic Fittings
- Dead Length Collets (DIN 6343)
- Tool Holders, Machining Center Accessories

DIN 6343 Collet



Collet Chuck



Ceil Lamp Accesorie

We Capable to Answer Tool&Mold Making Demands for :

- Plastic Injection Molds
- Aluminum Injection Molds
- Die-Cast Molds
- Rubber Molds
- Investment Casting Molds
